

Beach View – Barbados

Situated on a cliff overlooking the beautiful Falmouth beach on the South East coast of Barbados, Beach View certainly lives up to its name by taking full advantage of its wonderful location.

Beach View has 4 bedrooms, the master bedroom has an ensuite bathroom, is air-conditioned and opens onto the large covered patio with stunning sea views. The other 3 bedrooms share 2 bathrooms and are all equipped with ceiling fans, although the location of the villa means cooling breezes continually sweep through the rooms.

The villa's large living area is a perfect place to spend a quiet, relaxing evening. The fully equipped kitchen has a breakfast table and opens onto to the terrace where there is a dining area, a great spot to enjoy meals whilst admiring the breathtaking views.

The swimming pool has been designed to give the effect of being part of the ocean and there is a large pool deck ideal for sunbathing. When the sun goes down why not enjoy the spectacular moonlit bay at full moon from the small open air deck with comfortable arm chairs.
