

La Paloma - Barbados

“La Paloma” is a delightful beachfront villa located on the beautiful West Coast of Barbados, which has recently been refurbished.

On the upper level there is a gourmet kitchen, dining room and living room terrace which has gorgeous views of the turquoise sea beyond. On each side of the upper level are two bedrooms, including a master queen-size suite, with ensuite bathroom, and three twin bedrooms, also with ensuites.

On the lower level there is a 5th king-sized bedroom, as well as a games room.

All bedrooms are air conditioned and also have ceiling fans. This property offers magnificent views of the Caribbean Sea and breathtaking sunsets, as well as having good swimming directly in front of it, with great snorkeling opportunities.
