

Casa Caoba – Barbados

Casa Caoba is an attractive 4 bedroom villa located on the prestigious Sandy Lane Estate overlooking the 5th tee of the Old Nine Golf Course. This one storey home is situated within almost an acre of established gardens with mahogany trees.

The gated long sweeping driveway leads to the front of the house which has a grand pillared entrance, ornate fountain and a covered porch area.

The master bedroom, second bedroom and the living/dining area all open up onto the covered terrace which provides a peaceful spot for relaxing or dining alfresco. The terrace runs the entire length of the house and to one end there is a bar area overlooking the pool and a short pathway leading to a charming gazebo.

Guests staying at Casa Caoba have use of the Sandy Lane Owners Beach Facility at the nearby Sandy Lane beach
