

## Calliaqua at Sugar Hill - Barbados

Calliaqua is a stunning 5 bedroom villa set in an acre of gently sloping landscaped gardens and enjoying spectacular views of the Caribbean Sea

The generously proportioned covered outdoor terrace is probably the focal point of life at Calliaqua. At one end is a luxurious arrangement of wicker sofas and chairs and, at the other, a feature coral stone dining table under a crystal chandelier. After dark, Calliaqua's imaginative lighting makes for a magical and romantic atmosphere.

Steps from the terrace lead down to a beautifully designed 1000 sq. foot mosaic tiled pool, complete with mini waterfalls. Sun loungers and umbrellas are scattered around the spacious pool deck and a pool gazebo offers a bar (with fridge), informal dining arrangements and the perfect venue for sipping a cooling rum punch whilst watching those glorious Bajan sunsets unfolding at the end of a tough day ! The pool deck also benefits from a discreet speaker configuration which is linked to a central state of the art CD system which also serves the terrace and living areas.

French doors from the terrace flow back into the main internal living space which is large, light and airy and exquisitely furnished with high ceilings, marble tiles and coral stone walls enhancing Calliaqua's feeling of tranquility and colonial style.

In the main house there are 4 en-suite, air-conditioned bedrooms, attractively furnished but each with a distinctive individual style and featuring a separate dressing room within the master bedroom suite. French doors open directly onto the balcony from the 3 upstairs bedrooms where comfortable ottomans are perfect for relaxation and enjoyment of the stunning sea views.

Downstairs, the charming bedroom 4 ( the "parrot" room!) doubles as a study, with sofa bed, TV and DVD ( US and UK compatible) and a separate telephone line for PC/ Internet access for those with laptops.

There is also a delightful guest cottage with double bed, en-suite bathroom, a small kitchen area and its own small patio area overlooking the pool.

Guests at Calliaqua will have full use of Sugar Hill's extensive facilities, including clubhouse, 2000 sq. foot negative edge pool, air conditioned gym and the world class David Lloyd Tennis Centre featuring 4 floodlit courts, with coaching available at an additional cost. Sugar Hill also benefits from a security controlled entrance and 24 hour security patrols.

In addition, guests also have access to the exclusive members area at the Royal Westmoreland Beach Club, which is 10 minutes drive away and offers sun beds, a private beach deck, restaurant/ Beach bar and spa facilities.
