

## Aliseo – Barbados

Aliseo is a magnificent 9 bedroom villa located high atop the prestigious Sandy Lane Estate. With its stunning decor, luxury facilities and top class service, guests will feel like they are staying in their own private hotel.

The main entrance flows into the formal living area with a large spacious kitchen off to the left and also a formal dining area seating up to 12 people. This open plan living and dining area has French doors that lead out onto a spacious, partly covered balcony overlooking the pool and manicured gardens – with its comfortable chairs and small dining table this is the ideal spot for breakfast or a light lunch.

Each of the 9 spacious bedrooms are air conditioned with ceiling fans, they each have an ensuite bathroom and all feature flat screen television with satellite TV, and as an extra special touch each bathroom is equipped with personalized Aliseo bathrobes and toiletries, really making guests feel like they are in their own private hotel.

The master bedroom is set apart from all of the rooms and located on the top floor of the villa, it features a very large private balcony which overlooks the swimming pool and views of the grounds stretching out to the ocean.

The lower floor of Aliseo is the place to entertain! There is a further open plan living room with a bar area and Karaoke and a games table offering pool and table tennis to name a few. There is also an air conditioned home theatre and well equipped gym. A small kitchen completes this area.

From the lower level, French doors lead out to a covered patio area with BBQ and space for alfresco dining and this flows out to the large swimming pool and Jacuzzi. The villa is further accentuated by a gazebo that commands sweeping views of the entire property and grounds.

Guests of Aliseo have access to the Sandy Lane Property Owners beach facility at the nearby Sandy Lane beach.
