

Alila – Barbados

Alila is a newly constructed villa situated on the edge of a ridge on the West Coast providing a wonderful treetop view out to the Caribbean Sea.

This two storey villa is beautifully built with a flowing open plan design. Each room leading onto another and each offering a lovely view. With the open plan design and the beautiful foliage all around, this property is truly a tropical paradise.

From the moment you enter the villa you will be wowed by its stunning features, from the fountain at the entrance, the soothing koi ponds gracing either sides of the wooden walkway and the full wall water feature in the dining area.

The master bedroom encompasses the whole upper level and has a private patio offering breathtaking views. It also features a unique ensuite bathroom with a spacious walk in shower and a wonderful open air tub. All of the other 3 bedrooms are on the lower level of the property and open out onto patios and are also air conditioned with ensuite bathrooms.
