

Grendon House – Barbados

Grendon House is an attractive 5 bedroom villa set in 1 ½ acres of beautifully landscaped gardens on the prestigious Sandy Lane Estate.

The spacious indoor living areas including the five ensuite bedrooms have all recently been stylishly refurbished. Outside there is a large swimming pool, Jacuzzi and spa pool with a fountain that flows out into the large pool below and a dining gazebo with wet bar which makes this an ideal villa for a large family holiday.

Each of the 5 bedrooms has air conditioning and an ensuite bathroom. All bedrooms have TV's and the master bedroom has a private balcony that overlooks the gardens and pool.

Grendon House is perfect for entertaining and socializing and has many areas to dine including a cosy breakfast area off the fully equipped kitchen and 2 formal dining areas that seat up to 12 people.

In addition to the large comfortable sitting room that leads out to a patio overlooking the pool there is also a TV room with large plasma screen TV and a separate games room with games, table tennis and another Plasma screen TV.

Guests staying at Grendon House also have access to the Property Owners Beach Facility at Sandy Lane beach
