

Firefly – Merlin Bay - Barbados

Merlin Bay is a charming beachfront development consisting of eight Mediterranean style villas set amid lush tropical gardens. Each villa benefits from its own private plunge pool but guests can also enjoy the large central lagoon-style swimming pool and sun deck which overlook the turquoise sea.

Firefly is a delightful split level villa that offers 3 spacious air conditioned bedrooms with ensuite bathrooms, an air conditioned living room and fully equipped kitchen. Guests have the option to dine inside or outside at Firefly and the terraces and balconies offer wonderful views of the tropical landscape and Caribbean Sea.

Steps from the communal pool deck lead down to the white sandy beach and inviting calm waters.
