

Elsewhere – Barbados

Elsewhere is situated overlooking the third fairway of the Old Nine course on the renowned Sandy Lane Estate. This fabulous 8 bedroom villa has recently been totally renovated and refurbished and provides ideal accommodation for families travelling together or groups of friends.

The villa accommodation sleeps up to 16 guests in three wings, the Main House with four en-suite bedrooms, the Pool House with two en-suite bedrooms and the Garden House with another two en-suite bedrooms. Each wing has adjoining gardens with terraces and lounging areas

The garden was especially designed and has interwoven garden areas in varying shapes and sizes with shaded places to relax and features such as a Japanese bridge over a waterfall and a running stream that flows into a lily pond full of koi-carp. At night, the garden comes to life once more as the tree-up-lighters create a subtle magical atmosphere and a great place to enjoy entertaining.

Between the main house and the east wing is a freeform swimming pool with an adjoining covered patio furnished with deep sofas, board games and a bar.
