

No. 10 Queens Fort - BARBADOS

This newly renovated property, on the west coast of Barbados with 4 bedrooms. It is located on a private drive away from traffic and only 1 mile north of Holetown in the St. James parish. There is a private 100 yard path from the property giving access to the beach. The property is designed for outdoor living, the main house provides you with two en-suite bedrooms and has a huge covered veranda with large sitting / dining area.

The veranda overlooks an acre of mature gardens with a large swimming pool.

At one end of the pool is a cottage with a further two en-suite bedrooms, whilst at the other end a large gazebo provides shade at the pool.

The main house has a inside living room, dining room and a separate drinks room with ice machine, refrigerator and other amenities immediately adjacent to the veranda sitting area.

The rest of the house includes kitchen and facilities for the cook and maid/laundress.
