No detail has been overlooked to ensure the complete comfort for the guests, from the gated intercom entrance, which ensures security and privacy, to the built-in sound system providing all round sound. In the main house is an impressive coral stone hallway, which leads to the various elegant areas ideal for either socializing with the other guests or just relaxing.

Wonderful entertaining space has been created amongst lush tropical surroundings at the centre of the house, which flows directly onto the pool deck, where there are glorious views through the palms to the sea beyond, or in the evening the wonderful lighting creates a very different pleasing atmosphere. An extra place to unwind is the tastefully decorated sitting room equipped with TV, satellite, video and stereo facilities.

There is a formal indoor dining area, with its beautiful coral stone dining table centrepiece or a more informal dining option would be the covered verandah with glorious views of the grounds.

There are six stylishly decorated double air-conditioned bedrooms, each with en-suite bathroom. The villa's magnificent master bedroom opens onto an expansive terrace, with views of the garden and the sea beyond, while the other bedrooms open directly onto the grounds.

Guests will find many sources of entertainment close by and there is direct access to the glorious Sandy Lane beach through the property's own private path, where sun loungers are provided.
