

## Caprice - Barbados

Caprice is a lovely 2 storey, ocean-front villa built on a rocky bluff with a small reef in front with steps down to the West Coast shore.

There are 4 bright and airy bedrooms all with en-suite and air-conditioning, 2 on each floor, including a master suite on the upper floor, which has a sitting area, a beautiful picture window and sweeping views from the balcony.

The villa interiors have been refitted throughout with marble floors and quality fixtures and carefully selected furnishings, and the entrance foyer greets every guest with immediate breathtaking views through to the ocean.

There is a plunge pool with a waterfall located in the centre of the villa with a private enclosed sun deck area.

The elegant sitting room has satellite TV, DVD and VCR players and opens onto a covered dining verandah and a further shaded seating and open sun-deck equipped with lounge chairs, close to the beach.
