

Harmony House - Barbados

Built of coral stone, this delightful villa provides a unique experience of being nestled in lush, private, tropical gardens right on famous Gibbs Beach. There are three air-conditioned bedrooms (one on the ground floor and two upstairs), each opening to a balcony. The ground floor Lounge is beautifully furnished and opens onto the private, covered patio area with built-in bar, plunge pool and comfortable alfresco dining for up to 10. Guests are well looked after by a friendly staff headed by an excellent cook and they will do their utmost to ensure you have a wonderful holiday
