

Landfall – Barbados

Landfall is located in a select area on the beautiful West Coast of Barbados, and therefore has direct access to the sought after Sandy Lane Beach. Entrance to the villa is via an enclosed central courtyard, where tropical plants hang decoratively over the gently flowing fountain.

This very spacious six bedroom property continues through the gazebo style dining room to the second, external courtyard with its private sun terrace, swimming pool and gazebo, which overlook the beach. The ground floor also has two bedrooms and an air-conditioned, sunken living room with white and cream decor plus numerous comfortable sofas - a place to relax in cool surroundings. Landfall boasts lots of space for entertaining, a fully equipped kitchen to prepare for the event and the entire house can be filled with music of your choice, controlled from the TV/Video bar.

There are six en-suite bedrooms, and the Master bedroom also has its own music system. On the upper floor is another lounge, 3 further equal double bedrooms and the beautiful master bedroom with wraparound balcony and views of the tropical gardens and pool below.

Sunset cocktails before a starlit BBQ are the favourites of many a guest at Landfall or dip in the Jacuzzi followed by a delicious lunch prepared and served by the attentive staff. All of the sporting facilities and other amenities of Sandy Lane Bay are just a walk away.
