

VILLA MELISSA – BARBADOS

Villa Melissa is an understated luxury Caribbean Villa and can be rented in its entirety as a 5 bedroom Villa or alternatively as a 3 bedroom villa , by taking just the 3 bedroom main house without the 2 bedroom Cottage. As with many Caribbean villas, holiday life is centred very much around outdoor living and soaking up the Caribbean atmosphere and the hospitality of the staff. Villa Melissa is no exception and comes with a laid back butler Victor who focuses on ensuring you have a relaxing time and the warm and big hearted Maria who cooks and fusses over mouth watering meals to suit most palates.

Villa Melissa has recently undergone refurbishment. All of the bedrooms in the main house have beautiful travertine marble tiles, creamy coral stone walls and each bathroom has new chrome fittings and marble finishes. The living room has new coral rendered walls with bands and keystones around the doorways and completely tiled throughout with marble tiles giving a light soft feel with a cool natural experience under foot. The patio area has also been retiled with a natural opus romana travertine tile in 4 sizes, complimented by the new sofa's and coffee table it looks great. The house now has a flat screen television, with surround sound and Bose speakers for when you want to watch either DVD, Video, Cable or just listen to CD's . The house has also been fitted with wireless ADSL which means you can take your laptop to the pool and do your emails from there!

Outdoors there is a shallow free form pool wrapping itself around the patio in the middle of picturesque gardens. The pool is particularly suited for families where children can be watched from the waters edge whilst sun bathing on the comfortable loungers. Alfresco dining – all meals are taken either on the coral stone patio or can be taken by the pool.

All 5 bedrooms have en-suite bathrooms, air conditioning, ceiling fans and a combination of King, Queen and twin beds to suit most requirements

The cottage is completely made of old coral stone and has 2 bedrooms with bathrooms, a kitchen and 2 patios – an ideal arrangement for two families or groups of friends.

Being private and having a fabulous west coast location with the beach, restaurants and nightlife allows you the option to get away from it all.
